Message from Elton the Therapy Dog

My Lynn (Stratton), Grandpa (Malcolm) and I will share some stories with you on Sunday March 9 at 9.30 a.m. of the work Grandpa and I do at the Flinders Medical Centre. We are part of a large team of Therapy Dogs. I became Lynn's dog when I was small. She trained me in a quiet and loving way. When Lynn was very ill, Grandpa took me to Flinders because Lynn couldn't take me to a Nursing home anymore. Every week we have lots of fun, and I even see some people cry. Being a Therapy Dog is wonderful and tiring, so Grandpa gives me drinks and treats when I ask for a rest. We hope that you will enjoy our stories about how special it is to bring joy to patients, staff, families, and the people we meet in wards, offices and corridors.

Scratch behind the ear!
Elton

Cottage Grove

The Spiritual Care Practitioner at Cottage Grove, whose name is Adam Leiman, has invited the Vines Church to share his ministry, by once a month leading a "Worship and Hymns" serviceas he describes it; *"3 Hymns via YouTube, Prayers, occasionally communion on Wednesdays - from 10:45 finishing by 11:30am.*

The Residents love connecting by singing hymns which they often remember. The format would be up to you".

If you would be interested in knowing more or leading such a service, please speak to one of the Elders.

Communion

Last Sunday the decision was made to serve communion in the "old" way: with 4 helpers, 2 in the middle aisle and 2 on the other sides. The emblems will be offered to the first person in the row, and they will then pass them to the next person and so on until the steward at the other end can receive them and pass them to the person in the alternate row.

This makes it easier to serve communion for people who may be a little unsteady on their feet.

It would be good to put together a roster for this ministry. If you would like to be involved, please place your name on the sheet in the foyer.

Pantry 152

Thank you for your continued valuable support over the Christmas period and into this new year. The Pantry clients really appreciated the Christmas hampers containing treats they may not otherwise have enjoyed.

Since Christmas we have had 31 clients visit the Pantry, which has been great, but it has considerably depleted stocks of products.

If you wish to donate items to the pantry, please refer to the separate list for items we need.

Thank you,
Chris McAvenna and Pantry 152 Team.
