Your Church Council has been made aware that there is a serious lack of ministers who are looking for placements. We are just one of many churches looking for a minister.

Malcolm ministers to us in a beautiful way.....but he cannot go on for ever.- we must care for him as he cares for us.

Our church community needs to pull together to keep the momentum going, for we are not yet what God has created us to be.

Any suggestions that help us to think outside what we have always done will be so welcome. If you have any thoughts, ideas, suggestions please write a note and pop it in the suggestions box in the Church foyer for the Council to consider.

There are so many people who have stories to tell...why not share them? Please, prayerfully consider where you might allow God to use you in this place.
